

Tips

Welcome

Amherstburg's Holiday House Tours is a self guided tour. This way you can make it your own by moving at your own pace and enjoy the tour with whomever you choose.

Here are a few tips to help you enjoy your weekend:

◇ On the back of your access ticket are the addresses to each stop featured on the tour.

◇ If you wish to use a hardcopy of the map extras will be provided at the Gingerbread Warming House located at 50 North St.

◇ There will be a sign in front of each one of our featured homes.

◇ You are welcome to visit the homes in any order you'd like.

◇ In respect of the homes we ask that shoes are removed at the entry of each home. Shoe bags are provided for this purpose. Be sure to wear easy to slip on shoes.

◇ In order to assist in the ease of parking try and car pool.
