

HOP TO IT! Chemical Waste!

Residential chemical waste is hazardous and should NEVER be thrown in garbage or flushed down the sink, toilet, or storm sewer. Just drop it off at one of our three convenient locations. It's free to drop off for residents.

It's As Easy As 1, 2, 3...

- Adhesives / Glues
- Aerosols
- Batteries
- Fluorescent Lights
- Cleaners
- Cooking Oils
- Fire Extinguishers
- Fungicides
- Fuels
- Insecticides
- Kerosene
- Lighter Fluid
- Paints
- Paint Thinners
- Paint Strippers
- Pesticides
- Pharmaceuticals
- Propane Tanks
- Stains
- Shellacs
- Turpentines
- Thermostats
- Varnishes
- Weed Killers
- Wood Preservatives

NEVER THROW HAZARDOUS WASTE IN THE GARBAGE, SINK, TOILET OR STORM SEWER!
