ADDITIONAL INFORMATION:

- ALL waterlines are to be a continuous length of type "k" copper (no couplers), Aquapure Print Stream PE-RT or Municipex pipe with a tracer wire.
- All waterlines must be 1.5 metres five (5') deep and 2.4 metres (8') from the sewer or other utilities.

E) CONDITIONS PLEASE READ THIS SECTION CAREFULLY

- i) Call Public Works for waterline inspection.
- ii) Prior to the insulation and air/vapour barrier inspection, run a 22 gauge, three (3) conductor wire continuously from the water meter location to the outside hydro stack. Neglecting to do so may result in failure of your inspection.
- iii) Upon passing the inspection, pick up the water meter at the Engineering & Public Works Department located at 512 Sandwich Street South. Water meter installation is to be done by a certified plumber.
- iv) A water billing account will commence with Essex Power Services as of the date the water meter is picked up.
- v) Schedule inspection of the water meter installation and touchpad connection. Once passed, regular metered user rates and consumption charges will be applied to the water billing account.
- vi) The Applicant shall abide by the "Conditions" as outlined in the by-laws or policies as adopted by the Town of Amherstburg and to hold this application as a contract when signed by the Applicant.

NOTE: FAILURE TO COMPLETE THE ABOVE CONDITIONS MAY RESULT IN THE DISCONNECTION OF THE WATER SERVICE.
