

Proclamation

The Corporation of the Town of Amherstburg

"May 10, 2014 World Lupus Day"

Whereas, lupus is an autoimmune disease that can cause severe damage to the tissue and organs in the body and, in some cases, death, and

Whereas, more than five million people worldwide suffer the devastating effects of this disease and each year over a hundred thousand young women, men and children are newly diagnosed with lupus, the great majority of whom are women of childbearing age, and

Whereas, medical research efforts into lupus and the discovery of safer, more effective treatments for lupus patients are under-funded in comparison with diseases of comparable magnitude and severity, and

Whereas, many physicians worldwide are unaware of symptoms and health effects of lupus, causing people with lupus to suffer for many years before they obtain a correct diagnosis and medical treatment, and

Whereas, there is a deep, unmet need worldwide to educate and support individuals and families affected by lupus, and

Whereas, there is an urgent need to increase awareness in communities worldwide of the debilitating impact of lupus,

Now, Therefore, Be It Resolved that May 10, 2014 is hereby designated as World Lupus Day in the Town of Amherstburg

Wayne Hurst, Mayor
