1. POLICY STATEMENT

- 1.1. The Corporation of the Town of Amherstburg is committed to providing a work environment where all individuals are treated in a fair and consistent manner as it relates to the administration of pay amongst other items.
- 1.2. The Town will maintain a pay policy that is internally equitable, externally competitive and pay equity compliant.

2. PURPOSE

- 2.1. The purpose of the policy is to provide the framework for an ongoing and renewable salary administration program.
- 2.2. This policy is intended to support and acknowledge the dignity and worth of each individual working with and for the Town and to support recruitment and retention of employees through a competitive compensation program.

3. SCOPE

- 3.1. This policy applies to all permanent full-time non-union and management employees.
- 3.2. This policy does not apply to contract and bargaining unit employees. Contract employees will receive compensation in accordance with the terms of their contract. Compensation and wage administration for bargaining unit employees will be governed by the Collective Agreement.
- 3.3. This policy shall be reviewed every five (5) years from the date it becomes effective or sooner at the discretion of the CAO or designate.

4. DEFINITIONS

- 4.1. **Acting Pay** is the remuneration for the period of time that an employee actually performs the essential core duties of a more responsible position as authorized within this policy.
- 4.2. **Job Rate** is defined as Step 5 on the salary grid. The salary grid is comprised of five (5) steps for each salary band, with five percent (5%) step intervals.

- 4.3. **Performance** is the action or process of carrying out or accomplishing an action, task or function.
- 4.4. **Red-Circle** occurs when an incumbent is in a position where the Job Rate of the Salary range is less than the current pay of the incumbent. As a result, the current pay of the incumbent will be “red-circled”, or held at the current rate until such time as that rate is within the pay band for the position.
- 4.5. Common definitions, acronyms, and terms are available in the Glossary located on the Town’s Policies webpage.

5. **INTERPRETATIONS**

- 5.1. Any reference in this policy to any statute or any section of a statute shall, unless expressly stated, be deemed to be reference to the statute as amended, restated or re-enacted from time to time. Any references to a by-law or Town policy shall be deemed to be a reference to the most recent passed policy or by-law and any replacements thereto.

6. **GENERAL CONDITIONS**

6.1. **Salary Structure and Salary Bands**

- 6.1.1. Employee salaries will be determined with regard to a grading system that defines a minimum and a maximum amount for each salary band. Each salary band is comprised of a job rate and a salary range from 80% to 100% of that job rate. Subject to Council approval, these bands shall be adjusted for inflation annually.
- 6.1.2. Employees are only eligible for a step increase after they have completed their probationary period.

6.2. **Hours of Work**

- 6.2.1. All non-union salary bands are established on the basis of a 37.5 hour work week. All non-union employees are expected to work a 37.5 hour work week as a minimum. The actual work schedules shall be subject to CAO approval.

6.3. **Lieu Time**

- 6.3.1. Management employees are not eligible for overtime pay. The Town recognizes that managers are typically required to attend Council meetings, attend to Town business via the use of remote technology after hours, and generally work more than 37.5 hours per week on average. In recognition of such additional time, all management employees are entitled to (1) week of paid leave.
- 6.3.2. This lieu week must be used in the year that it is granted and has no cash value. Employees who begin work or accept a management position with the Town part way through a calendar year shall be awarded a proration of the (1) week lieu time.

6.3.3. Additionally, at the sole discretion of the CAO, employees who have been asked to work an inordinate amount of extra time for specific projects or other operational reasons may be awarded additional lieu time under the same terms and conditions noted above.

6.4. **Overtime**

6.4.1. Other non-union employees, who are not managers, are eligible for overtime pay. Overtime pay is paid for all work in excess of 37.5 hours in a week. All overtime work must be preauthorized by the employee's supervisor. All overtime will be paid at a rate of time and one half (1 ½ x) the employee's normal hourly rate. The employee shall have the option of converting the overtime pay to paid time off (lieu time). Any unused lieu balances will be paid out with the last pay of the calendar year.

6.5. **Management/Non-Union Compensation Administration**

6.5.1. Management shall actively participate in the administration of employee compensation during the course of an employee's career – recruiting the employee into their new role, establishing an appropriate level of compensation that reflects their responsibility, skills and competencies, reinforcing learning to support career growth and managing market and organizational pressures.

6.5.2. The Senior Management Team shall provide advice and recommendations ensuring compensation decisions are in keeping with the Town's compensation philosophy and guiding principles and overall internal equity is maintained. They will help facilitate initial compensation recommendation discussions and provide final recommendations for approval by the CAO.

6.6. **Assigning Compensation**

6.6.1. When determining the appropriate level of compensation for an employee, their overall performance will be considered, as well as the extent to which an employee's skills and capabilities have developed to perform their expected job accountabilities. The appropriate salary range positioning for an employee, will be reflective of their contribution and determined in accordance with this Policy.

6.7. **Salary Ranges**

6.7.1. Salaries fall between 80% (minimum) and 100% of the job rate, and are reflective of:

- 6.7.1.1. Employees still developing the required skills for the position (i.e., employees without sufficient time in a role to measure sustained satisfactory performance);
- 6.7.1.2. Employees with sustained, less than satisfactory performance; and
- 6.7.1.3. Entry-level hires.

6.7.2. Job Rate

6.7.2.1. The Job Rate (100%) is reserved to reflect the level of "full competence" in the job. This represents the maximum base salary achievable for all employees and should only be awarded when the employee has demonstrated the on-going skill, ability and motivation to fully and satisfactorily perform all aspects of their job.

6.8. **Annual Increases**

6.8.1. Annual overall increases to the salary grid (i.e. inflationary increase) shall be effective on January 1 of the year.

6.9. **How Contribution is Assessed in a Salary Range**

6.9.1. In a salary range, an employee's performance is the measure of contribution and performance and is an important component of determining base salary as the employee moves through the salary range. Any increase awarded should be primarily driven by an employee's performance demonstrated over a period of time. The size of the adjustment is impacted by the following factors:

6.9.1.1. The employee's current placement within the salary range; and

6.9.1.2. The employee's current and sustained level of performance.

6.9.2. When determining the appropriate level of award for an employee, it is important to consider their overall performance rating resulting from the performance evaluation process, as well as the extent to which an employee has demonstrated the required skills and capabilities to perform the expected job accountabilities.

6.10. **New Employees**

6.10.1. When hiring a new employee, the initial step in the salary determination process is to identify the pay level within which the vacancy or new job falls. Once this has been confirmed, the salary range associated with the pay level establishes the parameters within which an appropriate salary for the new employee may be established.

6.10.2. Starting a new employee at a lower step in the salary range provides some latitude to provide annual increases that reflect the employee's performance toward 'full competence and performance' and also ensures some internal equity of salaries relative to other longer-term employees currently in a same functional group. Some flexibility is required, however, to accommodate those situations where the new employee has significant prior experience in a similar position or brings special skills that reduce the on-the-job learning period. In any event, a longer term salary management plan that reconciles the expected learning curve of the employee with a progression toward the job rate must be established. Human Resources and the Director for the department can be expected to provide assistance in this regard.

6.11. **Promotions**

6.11.1. Promoting an employee from one job level to a higher job level generally involves the filling of a vacant, pre-approved and/or internally posted position or a situation where an employee's job has evolved to reflect significantly changed accountabilities and has been approved at the higher level through the job evaluation process. Promotional increases must ensure the employee's new salary is at least at the minimum of the new salary range and in any event no less than 3% of the employee's current rate. Again, when determining appropriate compensation, careful consideration of providing compensation that is truly reflective of the job/position expectations, the employee's capability, the expected timeframe to 'full competence' and how the employee's salary is viewed relative to other employee salaries and performance is required.

6.12. Reconsideration of Positions

6.12.1. In the event that the duties and responsibilities of a position are altered from the original ratings assigned to the position, a request may be submitted that the position be re-rated using the following process:

6.12.1.1. The request for the position to be re-rated is submitted to the appropriate manager on the "Request for Re-Evaluation" form with an updated job description and any other supporting documentation. The Manager is to consult with the Human Resources Manager with regard to the merit of the request within the Job Evaluation System and the completeness of the documentation.

6.12.1.2. The Manager shall submit the request to the Director for consideration. The Director shall then submit the request to the CAO. A request approved by the Director will be forwarded to the Job Evaluation Committee. In the event that the Director's position is to be re-evaluated, the request is to be approved by the CAO.

6.12.1.3. The Job Evaluation Committee shall review requests received for re-rating on a semi-annual basis utilizing the existing salary administration program.

6.13. Demotions

6.13.1. If an employee is demoted or is moved involuntarily to a position in a lower salary grade for non-disciplinary or performance reasons, the present salary level should be continued, unless there is a compelling reason for not doing so. The salary is considered to be "red-circled" when it exceeds the job rate of the range. This means that the base salary is frozen until such a time when it is once again aligned with the job rate in the salary range of the new lower level position (recall that the job rates generally experience regular increases over time as the market dictates). This approach ensures that the employee is earning a base salary that is commensurate with the level of work accountabilities and responsibilities associated with their assigned role level. When an employee is demoted for disciplinary or performance related reasons, their salary should be adjusted to the job rate of the new position.

6.14. Temporary Transfers or Acting Positions

6.14.1. An employee transferred to a new job/position on a short-term or temporary assignment shall be paid as follows:

6.14.1.1. If the transfer is for **more than fifteen (15) consecutive working days** and is to a position in a higher salary grade:

6.14.1.1.1. The employee's pay rate shall be Acting Pay and shall commence at the greater of Step 1 of the salary grid transferred to or an increase of 5% of the employee's salary in their incumbent job; however, the Acting Pay shall not exceed the job rate for the new job/position.

6.14.1.1.2. If the employee remains in the temporary/acting position past the date they would otherwise be eligible to move to a higher step on the salary grid in their incumbent position, the employee may be eligible for a further pay

adjustment under the Salary Administration Program, subject to performance.

- 6.14.1.2. If the transfer is for a period of less than or equal to fifteen (15) consecutive work days or is to a position at an equivalent or lower salary grade than the employee's incumbent position, no Acting Pay will be provided and the employee will continue to be paid within the salary grade for their incumbent position in accordance with the Salary Administration Policy

6.15. Lateral Transfers

- 6.15.1. For the purposes of career development and growth, an employee may be provided the opportunity to move into a job which is part of a different job description, but where the salary range of the new pay level is the same as the salary range for the employee's previous pay level. In this case, the employee's salary will continue to be administered at the current level. However, the compensation will need to be monitored carefully as the employee is new to the job even though the salary range has not changed. Therefore, the employee's salary should be viewed relative to other employee salaries in the same job description level based on the job/position expectations, and the employee's capability and potential for performance in the new job.
