Re: File **B/12-16/25**  
Decision Made on Application for Consent of  
**Bernadette Meloche, c/o Drew Coulson, Agent**  
**3918 Concession 3 S (Roll No. 3729-550-000-09400)**

---

In compliance with Subsection 23 of Section 53 of The Planning Act, I enclose herewith a certified copy of the decision of the provisional consent granted by the Committee of Adjustment with regard to the above-noted file with amended condition.

Please be advised that the last day for filing an appeal is **July 24, 2025.**

Subsection 23 of Section 53 of The Planning Act states that the conditions of a provisional consent may be changed at any time before a consent is given.

Only the applicant, the Minister, a specified person or any public body may appeal decisions in respect of applications for consent to the Ontario Land Tribunal. A notice of appeal may not be filed by an individual/neighbour.

Sincerely,

Janine Mastronardi, Secretary-Treasurer

(f) State conditions to be satisfied before granting of consent	<ol style="list-style-type: none"><li>1. That a Reference Plan of the subject property satisfactory to the municipality be deposited in the Registry Office; a copy to be provided to the municipality.</li><li>2. The applicant to submit to the municipality the deed acceptable for registration in order that consent may be attached to the original and a copy be provided to the municipality.</li><li>3. That all property taxes be paid in full.</li><li>4. That the severed parcel be rezoned to Residential Type 1A (R1A) Zone through the zoning by-law amendment application process or to a related zone through the Town’s ongoing Zoning By-law review process.</li><li>5. That a parkland fee be paid to the Town of Amherstburg prior to the stamping of the deeds in an amount of \$1070 for the severed lot.</li><li>6. That the applicant be required to obtain a Right-of-Way Permit from Infrastructure Services according to Town policy for any work required within the limits of the Town right-of-way. All permitting costs will be borne entirely by the applicant.</li><li>7. That the applicant must install a driveway access to the severed parcel to the satisfaction of the municipality.</li><li>8. That one (1) tree per newly created lot shall be planted within the municipal right-of-way. Coordination with the Infrastructure Services department is required to confirm species and caliper to be planted. Cash in lieu may also be provided to satisfy this requirement in the amount of \$500.00 per lot created.</li><li>9. That the applicant confirm and install separate sanitary sewer connections, water services and storm sewer connections to the severed in accordance with and under the supervision of the municipality at the applicant’s expense.</li></ol>

10. The applicant will be responsible for the restoration of the roadway and boulevard on McLeod Avenue and McBride Road once all service connections are completed. At a minimum the applicant shall repave the south lane width.
11. That the applicant submit a grading/servicing plan for the severed parcel to address the locations of proposed storm, sanitary and water service connections, driveway locations and widths, grading and restoration of municipal right-of-way. The servicing plan is to be reviewed and approved by Infrastructure Services prior to the commencement of the servicing works. The approved servicing plan must form part of the building permit application. Sanitary connections will not be permitted directly into the existing manholes.
12. The applicant/owners are required to enter into a reapportionment of the drainage assessment for the subject lands in accordance with Section 65 of the Ontario Drainage Act, R.S.O. 1990 as amended and provide the Town of Amherstburg, a signed agreement and that any associated cost of same be borne solely by the applicant. The reapportionment for any affected Municipal Drains be required and are to be assessed against the affected lands in accordance with any past, current or future drainage bylaws, until such time as otherwise determined under the provisions of the Drainage Act. The severance shall not be granted until a Council resolution is passed to execute the reapportionment agreement.
13. Extension of the storm sewer main within the municipal right-of-way will be required. All costs associated with the sewer extension shall be borne by the applicant. Consolidated Linear Infrastructure (CLI) approvals are required to be obtained for all necessary extension of municipal storm infrastructure. CLI Application fees per Amherstburg's User Fee By-law shall be applicable for this development.
14. This consent will be deemed to be refused in accordance with the Planning Act if the above noted conditions are not met within two years from the date of this notice.
15. A consent agreement must be entered into to address the collection of securities for the civil work required for the storm sewer extension and road restoration on McBride Road and McLeod Avenue.

(g) State reasons for decision      REASONS FOR DECISION: (g) The request is in conformity with Section 6.1.2 of Amherstburg's Official Plan and is consistent with the Provincial Policy Statement.

I/WE, the undersigned, in making the decision upon this application for consent, in addition to other matters, have had regard to the matters that are to be had regard to under subsection 51(4) of The Planning Act, and having considered whether a plan of subdivision of the land in accordance with Section 50 of the said Act is necessary for the proper and orderly development of the municipality.
