| Member                           | Meeting Date | Body                                    | Item Number  | Nature of Declaration  |
| 2025                             |              |   |              |  |
| Councillor Pouget                | 27-Jan-25    | Council                                 | 14.2         | I am declaring a conflict of interest on item 14.2 - update of Belle Vue due to the fact that it has been deemed of the proximity to my home   |
| Councillor Pouget                | 10-Feb-25    | Council                                 | 14.2         | As the residence of a family member is located within 120 metres of the subject land, I am declaring a conflict of interest as approved by Principle Integrity and will not be participating or voting on item 14.2 Zoning By-law amendment for 6754 County Road 50                                      |
| Councillor Pouget                | 24-Feb-25    | Council                                 | 14.1         | I am declaring a conflict of interest on the fact that a close family member is a member of Windsor/Amherstburg Branch Policing  |
| Brian Renaud                     | 03-Apr-25    | Driange Board                           | 6.1          | Owns property on the drain.  |
| Councillor Pouget                | 14-Apr-25    | Council                                 | 15.4         | Conflict of interest with item 15.4 to deal with future Policing Model for Town of Amherstburg #3 to continue various options - only for future discussions with Windsor/Amherstburg detachment due to close family member employed with the detachment.   |
| Councillor Pouget                | 17-Apr-25    | Economic Development Advisory Committee | 9            | I am declaring a conflict of interest on this matter due to the property is close by my home as advised by a lawyer and Integrity Commissioner   |
| Councillor Crain                 | 09-Jun-25    | Council                                 | 14.1 & 14.2  | I am collaborating with the proponent in my full-time job outside of Council.  |
| Brian Renaud                     | 03-Jun-25    | Driange Board                           | 6.2          | Owns property on the drain.  |
| Brad Laramie                     | 06-Aug-25    | Driange Board                           | 6.2          | Owns property on the drain.  |
| Don Shaw                         | 10-Sep-25    | Committee of Adjustment                 | 6.3          | Owner of property directly across the road.  |
| Brad Laramie                     | 04-Nov-25    | Driange Board                           | 6.1          | Owns property on the drain.  |
| Brad Laramie                     | 04-Nov-25    | Driange Board                           | 8.1          | Owns property on the Ernest Paquette drain.  |
| Councillor McArthur              | 24-Nov-25    | Council                                 | New Business | I have an interest with any motion or resolution dealing with Bill 68, especially as it deals with Schedule 3, which relates to the amalgamation of conservation authorities, on the basis that my partner is an employee of one of the conservation authorities that would be impacted by amalgamation. |
| Councillor Allaire               | 08-Dec-25    | Council                                 | 8.2          | I want to declare a conflict of interest on section H. I am on the board for Ultimate Frisbee and we rent the indoor turf.   |
| Councillor Crain                 | 08-Dec-25    | Council                                 | 8.2          | My father is an owner of a junior hockey team that is directly impacted by any change to ice/rental fees/or rink advertising costs.  |
| Councillor Courtney              | 08-Dec-25    | Council                                 | 8.2          | I sit on the executive committee of the TCMRHL (Tri County Men's Recreational Hockey League) morning hockey league at the Libro. Though there is no requested change to ice user fees, I will declare a conflict out of an abundance of caution.   |
