	21.	Type of water supply:
		 MCmunicipally owned and operated piped water supply □ well □ Other (specify)
	22.	Type of sanitary sewage disposal:
		 ▼ municipally owned and operated sanitary sewers □ septic system □ Other (specify) □
		If the requested amendment permits development on a privately owned and operated individual or communal septic system and more than 4,500 litres of effluent will be produced per day as a result of the development being completed the applicant is required to submit a:
		(i) servicing options report, and (ii) a hydrogeological report
	23.	Type of storm drainage:
	24.	If known, indicate whether the subject land is the subject of an application under the Planning Act for:
		□ consent to sever □ approval of a plan of subdivision
		If known, indicate the file number and status of the foregoing application:
nknown	25.	If known, indicate if the subject land has ever been the subject of an application for rezoning under Section 34 of the Planning Act:
		If known, indicate whether the subject land has ever been the subject of a Minister's Zoning Order and, if known, the Ontario Regulation number of that order.
	26.	Does the requested amendment remove the subject land from an area of employment in the official plan?
		□ Yes 🛛 🗓 No
		If yes, state the current official plan policies, if any, dealing with the removal of land from an area of employment.
,	27.	Is the subject land within an area where zoning with conditions may apply?
		□ Yes 🛚 No
		If yes, how does this application conform to the official plan policies relating to zoning with conditions?

	X Yes □ No
	Comments See attached PJR.
	Is the subject land within an area of land designated under any provincial plan or plans?
	□ Yes 🗓 No
	If yes, does the requested amendment conform to or does not conflict with the provincial plan or plans?
	Is the land associated with any natural environment area or adjacent to or abutting
	lands that are designated as a Wetland or Natural Environment?
	□ Yes 💆 No
	If yes, an Environmental Impact Assessment is required, for approval by the Town and Essex Region Conservation Authority, to be completed in accordance with the County of Essex Guidelines for Environmental Impact Assessments or when Council considers it appropriate, additional requirements may be made to the Guidelines in accordance with more detailed locally adopted terms of reference for an Environmental Impact Assessment.
	Will the proposed project include the addition of permanent above ground fuel storage?
	☐ Yes 💢 No
	Is the land within 600 m of property that is designated as Extractive Industrial?
	□ Yes XI No
	If yes, as per Section 3.3.3 of the Official Plan a noise and vibration study is required for approval by the Town, to be completed.
ec	d at the City of Windsor this 13th day of December , 2024.
	(signature of applicant, solicitor or authorized agent)
	Ann Malanta
	of the City of Windsor County/District/Regional Municipality of Province of Ontario solemnly declare that
	County/District/Regional Municipality of <u>Province of Ontario</u> solemnly declare that e statements contained in this application are true, and I make this solemn declaration
	cientiously believing it to be true, and knowing that it is of the same force and effect as
	de under oath and by virtue of the Canada Evidence Act.
·	

A Commissioner, etc.

Tracey Lynn Cecilia Pillon-Abbs, a Commissioner, etc., Province of Ontario, for Pillon Abbs Inc Expires August 4, 2026

NOTES:

Each copy of the application must be accompanied by a sketch, drawn to scale, showing:

- a) the boundaries and dimensions of the subject land;
- b) the location, size and type of all existing and proposed buildings and structures on the subject land, indicating the distance of the buildings or structures from the front yard lot line, rear yard lot line and the side yard lot lines;
- c) the approximate location of all natural and artificial features on the subject land and on land that is adjacent to the subject land that, in the opinion of the applicant, may affect the application. Examples of features include buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells and septic tanks/tile fields;
- the current uses on land that is adjacent to the subject land;
- the location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right of way;
- f) if access to the subject land is by water only, the location of the parking and docking facilities to be used;
- g) the location and nature of any easement affecting the subject land.

NOTE:

A deposit of \$1,000 and a flat fee of \$5,522, along with an ERCA development review fee of \$400 for major ZBA applications, must accompany your completed application for a zoning by-law amendment. The total payable to the Town of Amherstburg is \$6,922 for major ZBA applications.

A deposit of \$1,000 and a flat fee of \$2,762, along with an ERCA development review fee of \$275 for minor ZBA applications, must accompany your completed application for a zoning by-law amendment. The total payable to the Town of Amherstburg is \$4,037 for minor ZBA applications.

Any unused portion of the deposit will be returned after the passing of the ZBA.

A flat fee of \$1,149 plus an ERCA review fee of \$275, totalling \$1,424, must accompany your completed application for a Holding (h) Removal zone change, zone change from A to A-36, or zone change which is a condition of consent.

Engineering review fees of \$1500.00 + Hst per each time a file is reviewed may be applicable as per Amherstburg's User fee by-law.

If the subject lands are located within 120 m of a Provincially Significant Wetland, Significant Woodland, Area of Natural or Scientific Interest or Significant Species at Risk Habitat, the applicant may be required to complete a natural heritage review. The initial pre-consultation cost of the natural heritage review is \$565 and should additional work, such as an Environmental Impact Assessment, be required, the applicant will be responsible for all costs associated with review. Costs associated with the review will be invoiced to the applicant through the Town of Amherstburg. The applicant will be responsible for finding their own qualified biologist to complete the Environmental Impact Assessment, if required, and will be responsible for all costs associated with the assessment.
